Memorandum

TO : AD/OEL

DATE: 28 July 1965

FROM : DAD/S&D

SUBJECT:

The amount of money involved, \$25,000, is not a great deal and is not going to particularly break any company. I think that it might well be to the Agency's advantage to establish a much stiffer line in dealing with contractors. If we were looking for a place in which to establish an example, I think this might well be it. I would like to hear Logistics' viewpoint, particularly from the Director of Logistics on the idea of not paying [redacted]
